

Every faucet that ships from our warehouse is hand assembled and tested in our facility located in California. This allows us to not only provide you with a superior quality product, but also allows us to CUSTOMIZE the item to meet the customer specifications. Most of our Strom products are now available in the below SPECIAL ORDER finishes. We do not offer a finish warranty on these finishes. Call a representative for pricing.

UNLACQUERED BRASS

**Unlacquered
Polished Brass**

**Unlacquered
Satin Brass**

**Unlacquered
Raw Brass**

Classic, timeless unlacquered brass will patina and age with time.

SATIN BLACK

Our satin black finish is a one shade black finish that is electrostatically applied, and then baked for durability.

CUSTOM

While we are hand assembling your unit, we can mix and match parts and finishes to bring your custom requests to life.
